## HTFT Partnership's £499 Strategic Case Study **Resit** course

The CIMA Strategic Case Study exam requires students to create long form responses to case related questions, and this can prove daunting. In response, HTFT has created a robust **Strategic Case Study Resit** course that comprises downloadable case debriefs and introduction, 10 live online sessions, 3 online mock exams and 9 homework tests – **all for £499**.

### What you get with our Strategic Case Study product:

- We invite you to our Online Learning Community and to our Strategic level assumed knowledge group on our Online Learning Community so you can go through all of our P3, F3 and E3 content to brush up your knowledge
- We send out to you the CIMA approved Case Study text book
- We upload, into our SCS group, 3 debriefs of the CIMA pre-seen – one from a P3 perspective, one from an F3 perspective and one from an E3 perspective
- We provide an introductory recording for the August Strategic Case
- We upload 3 sets of notes – your Case applied to the E3, F3 and P3 syllabuses

### Course delivery

- We deliver the course as a series of 10 weekend morning/weekday evening live online sessions – that are recorded and then uploaded to the SCS group (for you to re-watch). The sessions focus on one pillar, i.e. F3, P3 or E3 and are delivered by specialist tutors
- We set 9 core homework's that we ask to be handed in for marking by your tutors, so you get ongoing feedback
- We set 3 online Mock exams that replicate the real CIMA Case Study exam – these are marked by us and sent back to you with comprehensive feedback
