

## FREE CIMA Certificate in Business Accounting **on-demand** course

The CIMA Certificate in Business Accounting syllabus is being updated for 2017.

The new syllabus consists of four subjects, and to coincide with the launch of the new qualification HTFT are giving away **FREE** on-demand courses for:

**BA1** Fundamentals of Business Economics or **BA3** Fundamentals of Financial Accounting

### What do you get with the HTFT on-demand course?

On the **11<sup>th</sup> January 2017**, you will:

- be invited to HTFT's Online Learning Community where you will find:
  - the entire syllabus (for your chosen paper) recorded in bite-sized videos that you can download and play on any device
  - our HTFT student notes ready for you to download and print off
  - your tutors' annotated notes, again available for you to download
- be invited to HTFT's Online Testing Environment where you can access:
  - 2 online HTFT written Mock exams – that can be reset
