

HTFT Partnership: November 2016

Welcome to the November edition of our newsletter.

The autumn statement is on **Wednesday**, so what is Philip Hammond going to say?

Will he borrow more money (he has abandoned Osborne's pledge to balance the books by the end of this parliament); will he stick to a plan to cut the Corporation Tax rate to 17 per cent by April 2020; and will he do anything about scrapping second home stamp duty?

A lot of the autumn statement will likely be devoted to setting out the support the economy will need as we extricate ourselves from the EU.

HTFT Prize time!!!!

We have gathered together some goodies to give away: a **giant calculator**, a **HTFT mug**, a **CIMA folder**, **sweeties** etc.

All you have to do to win this prize is email James with **the name of the Franciscan monk who is often referred to as 'the father of accounting'**.

We do have a second and third prize as well 😊

PQ Magazine Award time!!

The PQ Award nominations for 2017 are now out and can be found here: [PQ Magazine](#), and if you feel we warrant a wonderful award then please download the form and send it in to Graham and his team.

Thank you for your continued support and if you have any suggestions for us, please let us know. **HTFT.**

News and dates for the diary

23rd November: Government Autumn Statement – click [here](#) for more information

6th to 11th December: ACCA December exam window
