

January Newsletter

Welcome to the January edition of our newsletter.

Hi everyone, and welcome to the first newsletter of 2019!. This month we welcoming David Evans to the family, setting some new year resolutions, introducing our updated ACCA Pass Guarantee policy and asking for your thoughts on a PARTY!!

As always, thank you for your continued support and we hope you have a great month!

David Evans

We are delighted to announce that David Evans has joined HTFT Partnership as a Director.

David brings a wealth of experience to HTFT, gained over 25 years of preparing students for ACCA, CIMA and ICAEW examinations. He is a Fellow of the ICAEW, was previously a Centre Manager for the Bristol and Cardiff centres of Kaplan Financial, and is the author of Kaplan's 'A students' guide to Corporate Finance and Financial Management' which is an excellent foundation for studying ACCA AFM and FM, CIMA F3 and P3.

Please join us in welcoming David to the senior leadership team of HTFT Partnership.

New year resolutions

A new year brings an opportunity to make a change and set some targets for the year. This can be to go to the gym more, spend more time with family, sort out the loft or get those exams out of the way!

We have been setting some new year resolutions in the office. I (James) wants to get out on his bike more this year. Chloe is learning to drive. Jess is saving to move house. Jodie is doing the Colour Run in July. Vicky's is to become the most followed person on Instagram! Helen wants to travel to new places and Clare wants to learn to play bridge.

What targets have you set, and how are you going to achieve them?

HTFT Partnership - Pass Guarantee 2019

As you will know, we are constantly looking to improve what and how we do things, and this has led to a

review of our current ACCA Pass Guarantee. We have updated our policy, which comes into effect as of the 1st March 2019 (for the June 2019 exams onwards).

You can read the new Pass Guarantee [here](#).

Party?

Every now and again you need to let your hair down, so why don't we have a party?

We are thinking about hosting an evening party on Friday 7th June, and we would like your views on what we should do.

Option 1: take over a pub for an informal evening of food and drink

Option 2: black tie event, with sit down meal (maybe make it a student awards evening)

Option 3: ten pin bowling tournament (maybe with Laser Quest)

Option 4: ghetto golf (www.ghettogolf.co.uk)

Have a think and please can you let Jodie know your preferred [option](#).

Thank you for your continued support, and please let us know where we can improve - **HTFT Partnership**

Useful resources

ACCA

ACCA have a purpose built exam resources site, where students can find past papers and technical articles
