October Newsletter

Hi everyone, and welcome to the October edition of our newsletter.

This month we introduce you to **HTFT play** (our new name for our Instant product), we look forward to CIMA 2020 and we talk about the new ACCA computer based exams for the Strategic Professional level.

As always, thank you for your continued support and we hope you have a great month!

Introducing HTFT play©

HTFT play

Introducing **HTFT play**, our new name for our CIMA Instant package.

With **HTFT play** you can catch up on your studies, stream topic recordings and test your exam readiness with our computer-based Proficiency mocks.

For more information on **HTFT play**, please visit our purpose built webpage: [HTFT play](#).

CIMA 2020

As I am sure you all know by now, we will be delivering our first CIMA Case Study courses (for the new 2019 syllabus) into May 2020.

CIMA have recently announced that they will be publishing 1 pre-seen for two case study exam windows. The pre-seen released for the May 2020 exam window will also be used in the August 2020 exam window.

Our CIMA 2020 timetables for the Operational, Management and Strategic Levels are now live on our website:

[HTFT CIMA Strategic Level](#)

We have also updated our **CIMA 2019 syllabus prices**, which you can review [here](#).

Computer based exams for the ACCA Strategic Professional level

As part of ACCA's published on-going commitment to innovation and producing work-ready students, from March 2020 they are introducing session CBEs for the Strategic Professional exams in selected locations.

More information on these new CBEs please click [here](#).

For ACCA student study resources (including CBEs) please click [here](#).

Thank you for your continued support, and please let us know where we can improve - **HTFT Partnership**
